FROM THE DESK OF THE PRESIDENT ...

Here we are in October, all saying “where did the summer go?” The summer of 2009 is a memory as we move forward into our Fall season. Many pleasurable moments are ahead as we enjoy the great outdoors, the changing tree colors, fall sporting events, Homecoming, and Halloween fun.

School has been in full swing for over a month and hopefully parents and children alike have become familiar to their routines.

The fall season is a very busy time for the Village as well. The changing temperature has the leaves falling from the trees in preparation for their winter hibernation. The Public Works Department is ready to tackle their leaf collection duties but we will need everyone’s help in removing the leaves from our streets to prevent our storm sewer system from being clogged up. Leaf collection has always been a challenge for all but I am confident by working together we can get the job done right.

The village tree trimming program will continue with the section of town south of Roosevelt from approximately Westchester Boulevard to Gardner. The goal is to maintain safety and promote the health and beauty of our parkway trees.

Safety... Safety ...Safety... is always a concern for the village. October is Fire Safety Month and our Fire Chief Rich Belmonte reminds us to change the battery in your smoke and carbon monoxide detectors.

The Fire Department is also hosting an open house on October 10th. All are welcome and encouraged to attend.

Our Police Chief Matt Evans proudly reports the decrease of our property damage and personal injury vehicle accidents. Both are down 11 and 17 percent respectively.

Hopefully this summer you were able to see and speak to our police officers who were walking the beat. Since July 1st officers have been out on foot in our neighborhoods in our community policing initiative. Their efforts along with the reminders to lock up our cars and homes and to be on the lookout and report any suspicious activities will lead to another reduction of our crime statistics for 2009.

The village has welcomed several new businesses and restaurants to town. Cardinal Fitness, Christopher’s Speakeasy, Chai Yo Thai Restaurant, and Antonio’s Ice Cream. We wish you much success and thank you for opening up in Westchester.

A thank you to all the village staff, members of the Fire and Police Department, as well as the Westchester Middle School Band, St Joseph H.S., Proviso West H.S. NJROTC, local clergy, and

... ceremony. The man who lost their life in New York City shows our strength and “Not to Forget” the tragedy of 8 years ago. President Obama’s Kennedy’s Serve America Act in April officially recognized the National Day of Service and Remembrance reminding us that “United We Serve.” The Mayor of Chicago and the Cook County of Public Health reminds us to get our flu shot. We have been informed that later this month more information regarding the flu shot will be out and all are encouraged to get that shot as well. Initially the flu shot will be based on the state’s population. Please consult with your doctor. Our sincere thanks to State Representative Karen Yarbrough who presented a check to the Emergency Operations Center. The check presentation was made at the

So you think you have an evergreen?

The Village of Westchester is looking for a community member who would like to donate an evergreen tree from their yard as the Village Hall Holiday tree. Public Works will carefully remove the tree from the resident's property at no cost to the resident. The tree will be erected and seasonably decorated in front of the Village Hall by the Village staff. If you feel that you have such a tree, please call Westchester Public Works (708) 345-0041.

BLOOD PROGRAM AT NEARLY 22,000 UNITS

In the midst of a critical shortage of blood at area hospitals, the Westchester Blood Program held its fourth drive of the year July 18 at Divine Providence School and collected 124 units (pints). That's more than enough to save the lives of 300 patients.

The WBP, **the most productive community blood program in the Chicago area**, has now collected 399 units this year, with two drives remaining on its schedule.

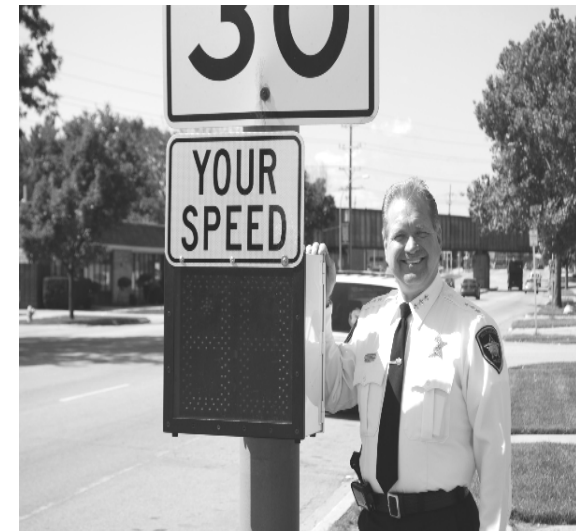

Those will be held Oct. 17 at the Community Center from 8:15 a.m. to 3 p.m. and Nov. 10 in a LifeSource coach parked in the lot at Bond and Westchester, just south of Westchester Community Church, from 2 p.m. to 7:30 p.m. (Donors cannot give blood at both drives since they are just three weeks apart.)

Anybody with questions about the importance of donating blood should contact Chairman Carl Panek at 865-1782 or Vice Chair Person Nadine Trumbull at 865-8057.

POLICE & FIRE DEPARTMENTS

WATCH YOUR SPEED

The Westchester Police Department is watching your speed. The Department has recently purchased a portable traffic speed monitoring device as a part of the Traffic Enforcement Program. The device utilizes the latest technology, all in the size of a small sign. This device displays speed while warning motorists who are exceeding limit with a bright flashing strobe. This device collects data for research as well as deters speeding. You will see this device in many areas throughout the community.

PUBLIC WORKS DEPARTMENT

BRANCH PICK-UP

As a reminder, the final branch pickup for this year will be the week of November 2-6, 2009. No brush will be picked up after that date. After that you will be required to dispose of it through your trash service or on your own. Branch pickup will resume April 2010. Please do not put out any brush before this. Brush should be stacked neatly on the curb for "curb appeal." Please keep logs and branches in manageable sections so we can remove them efficiently and in a timely manner.

Please note that the last pick-up day for yard waste by Waste Management will be November 30, 2009.

Monday	Mannheim Road west to Wolf Road; from Canterbury Street south to Windsor Drive; from both sides of Windsor Drive to Cermak Road; from Gardner Road west to Mannheim Road.
Tuesday	Roosevelt Road south to Cermak Road; from Gardner Road west to Mannheim Road.
Wednesday	Roosevelt Road north to the expressway; from Gardner Road west to Mannheim Road; Also, Roosevelt Road south to Canterbury Street from Haase Avenue west to Heidorn Avenue.
Thursday	Bellevue Avenue west to Wolf Road; from Martindale Drive to 31 st Street.

Please remember that all landscaping contractors are responsible for their own brush pick-up and disposal.

FALL/WINTER WATER PREPARATIONS

As the cooler weather approaches, remember to turn off your outside water spigots in the basement to prevent pipes from cracking or freezing during the winter months.

All plumbers working in the Village of Westchester need a State or City of Chicago Plumbers license, a contractor's license from the Westchester Building Department, plus a certificate of insurance. A permit is required to assure codes are met and an inspection from the Plumbing Inspector is necessary.

Residents are advised to contact the Public Works Department at 708-345-0041 before signing a contract with a plumber to rod out the sanitary line. Our department will check to make sure the problem is not in our sanitary lines.

As always, residents are asked to call the Village at
 ☆ (708) 345-0041 Public Works or
 ☆ (708) 345-0060 Police (Non-emergency or after hours)
 if you see an unusual amount of water in the street or parkways.
 This could be a main break or water leak that requires our immediate attention.

SNOW PREPARATIONS

Not far behind leaves comes SNOW! When it does begin to snow Village crews work long and hard to keep our streets clear and safe. Please assist us by observing the following :

- Place garbage cans and bins behind the curb line-not in the street
- Observe " NO PARKING" and "SNOW ROUTE" signs
- Do not throw or blow snow back into the cleared streets

The following parking restrictions WILL be enforced:

After a two-inch snowfall and except as otherwise posted, it is unlawful to park any vehicle, or to permit any vehicle to remain parked, between the hours of 8:30 a.m. and 4:30 p.m., on odd-numbered sides of the street (south and east sides of streets) on Tuesdays and Thursdays, and on even-numbered sides of the street (north and west sides of the streets) on Mondays, Wednesdays and Fridays. Odd sides of the street are defined as the south side of east and west streets, and the east side of the north and south streets. Even sides of the street are defined as the north side of east and west streets and the west side of north and south streets.

BUILDING DEPARTMENT

THREE ESTIMATES AND CHECKING REFERENCES

Remember to always get at least three estimates. Check that the scope of work and materials provided is the same. Ask for references and do not hesitate to call and check them. Always insist that your contractor provide you with a certificate of insurance, a signed contract and an installation schedule. The contractor that you choose must be licensed with the Village.

If you need a list of contractors currently registered with the Village, call the Building Department and we will provide our current list.

LAWN MAINTENANCE - KEEP WESTCHESTER BEAUTIFUL

Summer seems to fly by faster every year! As we move into fall we are wrapping up our street repairs so that we can move into leaf season. Even though we will be using the street vacuum to clean the curbs we ask you **DO NOT rake leaves into the streets** as this clogs the storm sewers. The street sweeper and vac machine will only be used to insure proper operation of the Village storm sewer system.

As you may know, due to budget constraints the Village has discontinued the leaf bag program. Please dispose of leaves in bags that can be purchased at your local hardware store or grocery store. You can also use up to a 32 gallon container marked with a yard waste sticker to dispose of leaves. You may obtain yard waste stickers at the Village Hall or Public Works Department at no charge. With your cooperation the Village can preserve the charm of its neighborhoods as well as the maintenance of our sewer system.

TIPS FOR SAVING ENERGY

There is still plenty of time before the snow begins to fall to prepare your home for winter. New windows and doors will save on your heating bills and eliminate drafts while improving the appearance of your home. You may also receive up to \$1500 federal tax credit when filing your 2009 taxes, for replacing your old windows or doors.

Also perform pre-heating season maintenance on your furnace or boiler to assure a trouble free winter. A new high efficiency heating system can also lower your monthly energy bills. There are also tax credits for updating to more energy efficient appliances, much the same as for replacement windows and doors, though each household is limited to an annual amount, as specified by US Dept. of

No Feeding of Wild Animals

A friendly reminder from the Village that it is unlawful to feed wild animals such as deer or stray dog or cats. Wild animals, rodents, and birds may constitute a menace to public health and comfort and can also be offensive. Simple, casual feeding of birds with bird seed or similar types of natural products is permitted if not excessive and does not cause a public nuisance. For more information go to www.westchester-il.org. Municipal Code Chapter 10.12

PROVISO HANDYMAN PROGRAM

The Township Supervisor and Board of Trustees are happy to announce that the Proviso Township Handyman Program is back. The Handyman Program will once again be available to Senior Citizens and SS Disabled residents of Proviso Township. Our Handyman will be available to provide advice and referral on a variety of home maintenance issues. In addition, he will be able to do minor repairs for a fee surcharge of \$5.00 per visit plus the cost of parts if needed. Things like a leaky faucet or a toilet that keeps on running, replacing the refrigerator bulb or the light at the top of the stairs that you just can't reach are some examples

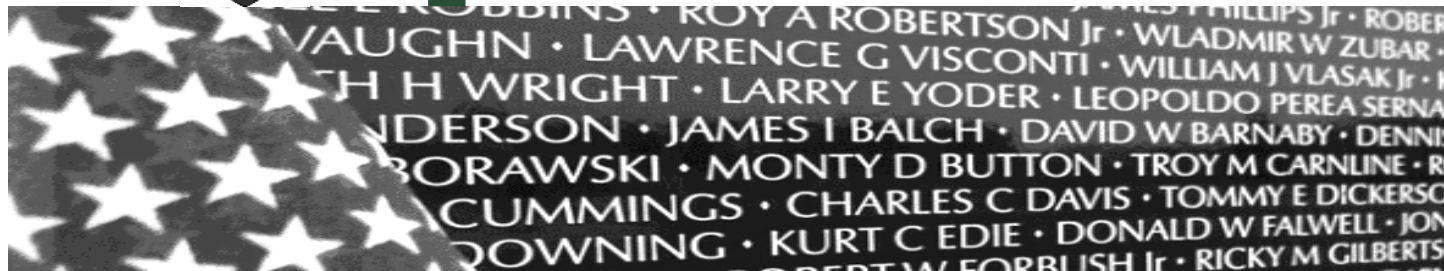

of the ways in which we can help. We can even help you hang that new picture of your grandkids or fix that squeaking door hinge. The Handyman is here to help you do all those things you used to do for yourself but just can't manage anymore, all those simple things that can make life just a little brighter. So next time you find yourself frustrated by some annoying problem around the house, don't get angry, call the Handyman!!

Vietnam Veterans "Moving Wall"

THE VIETNAM VETERANS "MOVING WALL" IS COMING TO WESTCHESTER

On November 5th through November 9th the Vietnam Veterans "Moving Wall" will be on display at Mayfair Park in Westchester, IL. The Moving Wall is a half sized replica of the Vietnam Veterans Memorial in Washington, D.C. The wall was created by Vietnam Veterans through contributions from the public and has never received any funding from the Federal Government. There are 58,253 names listed on the memorial of personnel who gave the ultimate sacrifice while they served in the U.S. military in Vietnam.

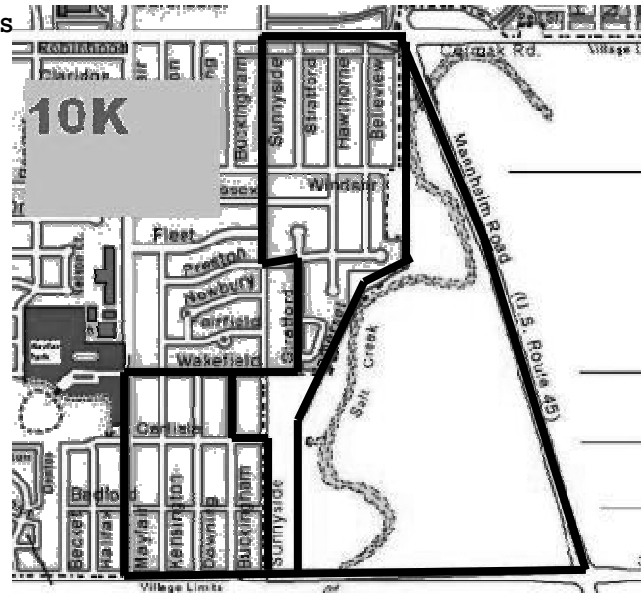

We hope that you are able to visit the wall during its stay here in Westchester. Especially welcome are school groups who may schedule a visit with our staff and receive a guided tour of the wall. To schedule your time please contact the office of the Westchester Park District at (708) 865-8200. Time slots start each day at 9:00 am and are available every hour until 2:00 pm.

VOLUNTEER DONATIONS & SPONSORSHIP OPPORTUNITIES

The "Moving Wall" visit to the Westchester Community has opened up endless opportunities for volunteers, donations and sponsors. Should you be interested in making a donation, sponsoring our Veterans Day Run, or volunteering for this event please contact the Westchester Park District at (708) 865-8200.

We are in need of items such as food for our volunteers, materials for erecting the wall, plants for decorating, lighting, flags, etc. For a full list of items needed please contact the Westchester Park District at (708) 865-8200.

* For more complete information about either of the above mentioned events, the Moving Wall or the Veteran Race, go to www.westchesterchamber.org

Please note: Streets dedicated to race route will be closed from 8:15 am-11am

The Moving Wall and Veteran are sponsored by:

- ◆ Westchester Chamber of Commerce
- ◆ Westchester Park District
- ◆ Village of Westchester
